Trip Notes – Lodging and M&IE:

- On the night of 10/4/17, Secretary Zinke utilized lodging at the private residence of a personal acquaintance in Jacksonville, Florida. Therefore, Secretary Zinke incurred no lodging expenses for that night.
- For the nights of 10/5/17 through 10/8/17, Secretary Zinke utilized lodging in Miami Beach, Florida, at 1 Hotel South Beach at a rate of \$199.00 per night. The maximum lodging rate for Miami Beach in October 2017 was \$140.00 per night. Therefore, Secretary Zinke utilized his personal credit card to pay the \$59.00 difference, plus applicable taxes. Secretary Zinke used his government credit card to only pay for the maximum government rate of \$140.00 per night, plus applicable taxes (which were 14% of the lodging rate, or \$19.60 per night). Documentation is attached.
- On 10/6/17, Secretary Zinke paid for his own meal at the Lunch with Everglades National Park Gulf Coast Visitor Center Employees in Everglades National Park. Lolita Zinke did not join Secretary Zinke for this lunch.
- On 10/7/17, Secretary Zinke paid for his own meal at the Lunch Meeting with Everglades National Park Employees in Everglades National Park. Lolita Zinke did not join Secretary Zinke for this lunch.
- Except for his return flight on 10/10/17, Secretary Zinke completed his official travel on 10/8/17. Therefore, Secretary Zinke only claimed 75% of his authorized M&IE reimbursement on 10/8/17.
- Secretary Zinke claimed no M&IE reimbursement on 10/9/17 and 10/10/17.
- Secretary Zinke incurred no lodging expenses on 10/9/17.

Trip Notes – Transportation and Miscellaneous:

- On 10/2/17, Secretary Zinke travelled on a non-contract carrier flight from Washington, DC (DCA) to Charleston, SC. A signed memo authorizing use of this non-contract carrier flight is attached.
- On 10/3/17, for his tour of Fort Sumter, Secretary Zinke travelled via a boat from the Charleston Maritime Center Dock to Fort Sumter, and then from Fort Sumter to Fort Moultrie. The boat utilized for this travel was provided by the National Park Service (NPS) Fort Sumter National Monument. Lolita Zinke accompanied Secretary Zinke as a personal guest during this boat travel. The Office of the Solicitor's Division of General Law and the Departmental Ethics Office determined that Lolita Zinke should be considered a "space available" traveler, and that her travel on the NPS boat should be reimbursed to Fort Sumter National Monument. It was determined that the reimbursement should be equal to the regular ticket price of a round-trip boat ride to Fort Sumter from downtown Charleston, as available to the public through a commercial

concessioner. Such a ticket was determined to cost \$21.00. Therefore, Secretary Zinke submitted a check for \$21.00 to reimburse Fort Sumter National Monument for the cost of the boat travel for his personal guest on 10/3/17. A copy of this check and associated documentation is attached.

- On 10/4/17, Secretary Zinke participated in a boat tour of Chesser Prairie and Cedar Hammock Camping Shelter at Okefenokee National Wildlife Refuge in southeastern Georgia. The boat that Secretary Zinke traveled on for this tour was provided by the U.S. Fish & Wildlife Service. Lolita Zinke also participated in this tour, but she traveled on a concessioner boat that is available for such tours to the public. Lolita Zinke paid for her boat transportation and tour with personal funds, so the Department incurred no additional expenses due to her participation.
- On 10/5/17, Secretary Zinke visited the National Navy UDT-SEAL Museum in Fort Pierce, FL. Lolita Zinke accompanied Secretary Zinke for this visit. Secretary Zinke and Lolita Zinke both utilized personal funds to pay for their admission fees to the museum.
- On 10/6/17, Secretary Zinke participated in a Hurricane Irma cleanup activity at Big Cypress National Preserve in southern Florida. Secretary Zinke travelled to and from the activity site in a swamp buggy that was provided by the National Park Service. Lolita Zinke did not join Secretary Zinke for this engagement.
- On 10/6/17 and 10/7/17, Secretary Zinke utilized a van to travel to numerous areas within Everglades National Park in southern Florida. The van was provided by the National Park Service. Lolita Zinke did not join Secretary Zinke during his visits to the park on either day.
- On 10/8/17, Secretary Zinke utilized a boat to visit numerous areas within Biscayne National Park in southeast Florida. The boat was provided by the State of Florida. It was determined that the value of the boat ride is equal to the regular ticket price of a similar boat tour of Biscayne Bay, as available to the public through a commercial concessioner. Such a ticket was determined to cost \$150.00. The appropriate signed DI-2000 form authorizing acceptance of this in-kind payment for transportation is attached.
- From 10/8/17 through 10/10/17, Secretary Zinke made a personal time deviation from his temporary duty station in Miami, Florida. A signed memo authorizing this personal time deviation is attached.
- On 10/10/17, Secretary Zinke was charged a baggage fee during his flight from Miami, FL to Washington, DC (DCA). Secretary Zinke did not receive a receipt for this baggage fee, which was \$25.00. A copy of Secretary Zinke's credit card statement is attached, with the appropriate charge indicated.
- Airfare Ticket 0018676311496 was fully refunded for the amount of \$431.20.

MEMORANDUM

TO: Authorizing Official
FROM: Office of Scheduling and Advance
SUBJECT: Non-Contract Carrier Flight for Secretary Ryan Zinke
DATE: October 13, 2017

I. OVERVIEW

On October 2, 2017, Secretary Ryan Zinke travelled from Washington, D.C., to Charleston, South Carolina. Due to Secretary Zinke's schedule and the corresponding commercial flight availability, Secretary Zinke utilized a non-contract carrier flight in order to successfully complete the mission requirements of this travel. However, the non-contract fare and the contract fare were the same price.

II. SCHEDULING CONSIDERATIONS

On October 2, 2017, Secretary Zinke participated in a number of official meetings and events in Washington, D.C. His final official engagement was an event related to the Administration's "Liberating America from Bureaucracy" initiative, which concluded at approximately 3:00pm. Secretary Zinke then travelled to Charleston, South Carolina. When he arrived in Charleston, Secretary Zinke had an official phone call scheduled at 6:45pm.

Secretary Zinke's final event in Washington was an important engagement that dovetailed with a number of similar events that were held at the White House and other federal agencies throughout the day. This event required a large amount of planning and it involved many external participants. It was not an engagement that could have been easily cancelled or rescheduled, and as the Department's lead representative, it was imperative for Secretary Zinke to fully participate at the event. Secretary Zinke's phone call at 6:45pm was also an important appointment that could not have been easily rescheduled. Therefore, Secretary Zinke had a very short time frame in which to travel from Washington to Charleston so that he could fully participate at the Administration event and also complete his phone call, as scheduled.

II. CONTRACT CARRIER FLIGHT OPTION

The following is the best available contract carrier flight option for Secretary Zinke's travel, and an explanation for why it did not meet mission requirements:

Monday, October 2, 2017 – Washington, DC (DCA) to Charleston, SC

❖ **American Airlines #5465**

5:20pm EDT Depart Washington, DC (DCA)

7:00pm EDT Arrive Charleston, SC

Explanation: This was the earliest contract carrier flight that Secretary Zinke was able to catch following the conclusion of the Administration event at 3:00pm. This flight arrived in Charleston

at 7:00pm and, therefore, it would not have enabled Secretary Zinke to hold his 6:45pm phone call, as scheduled.

IV. RECOMMENDATION FOR USE OF A NON-CONTRACT CARRIER FLIGHT

Due to the lack of a feasible contract carrier option, Secretary Zinke utilized the following non-contract carrier flight:

Monday, October 2, 2017 – Washington, DC (DCA) to Charleston, SC

❖ **JetBlue Airways #143**

4:37pm EDT Depart Washington, DC (DCA)

6:19pm EDT Arrive Charleston, SC

Explanation: This flight's departure at 4:37pm enabled Secretary Zinke to fully participate in the Administration event in Washington on October 2. However, unlike the contract carrier flight, this flight's 6:19pm arrival time in Charleston also enabled Secretary Zinke to hold his 6:45pm phone call, as scheduled.

The total fare for this non-contract carrier flight was \$102.20. The government fare for the American Airlines contract carrier flight was \$102.20. The non-contract fare and the contract fare were both the exact same price (documentation attached).

To enable Secretary Zinke to fully participate in the Administration's "Liberating America from Bureaucracy" initiative event in Washington, and to enable him to also make his phone call in Charleston as scheduled the same day, Secretary Zinke utilized the above non-contract carrier flight.

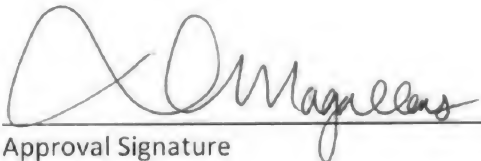

We seek approval for Secretary Zinke's use of a fare other than a contract city-pair fare under FTR 301-10.107(a):

§ 301-10.107 Are there any exceptions to the use of a contract city-pair fare?

Yes, your agency may authorize use of a fare other-than a contract city-pair fare when—

- (a) Space on a scheduled contract flight is not available in time to accomplish the purpose of your travel, or use of contract service would require you to incur unnecessary overnight lodging costs which would increase the total cost of the trip

Please provide approval of Secretary Zinke's use of a non-contract fare during his travel from Washington, D.C., to Charleston, South Carolina, on October 2, 2017, on JetBlue Airways #143.

MEMORANDUM

TO: Authorizing Official
FROM: Office of Scheduling and Advance
SUBJECT: Personal Time Deviation from a Temporary Duty Station
DATE: October 5, 2017

On October 8, 2017, Secretary Ryan Zinke will be in Miami, Florida, and the surrounding region, for a number of official engagements. After the conclusion of his final official engagement, Secretary Zinke is scheduled to begin a period of personal travel in Miami from the evening of October 8 until the morning of October 10. On the morning of October 10, Secretary Zinke will resume and complete his official travel with a commercial flight from Miami to Washington, D.C.

Secretary Zinke is currently scheduled to take the following flight from Miami to Washington:

❖ Tuesday, October 10, 2017
American Airlines #1533
8:35am EDT Depart Miami, FL
11:08am EDT Arrive Washington, DC (DCA)

The government contract fare for this flight is \$431.20 (documentation attached).

If Secretary Zinke was not scheduled to do personal travel in Miami from October 8 to October 10, he would return to his permanent duty station in Washington on October 9 on the following contract carrier flight:

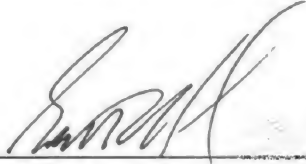

❖ Monday, October 9, 2017
American Airlines #1533
8:35am EDT Depart Miami, FL
11:08am EDT Arrive Washington, DC (DCA)

The government contract fare for this flight is \$431.20 (documentation attached).

Secretary Zinke has no official business scheduled in Miami from the evening of October 8 through the morning of October 10. Therefore, it can be determined that Secretary Zinke's travel in Miami from the evening of October 8 through the morning of October 10 is a personal time deviation from a temporary duty station.

The Department of the Interior Division of General Law has advised that a personal time deviation from a temporary duty station is permitted during official travel if the Department incurs no additional cost as a result of the deviation. The above cost comparison indicates that Secretary Zinke's personal time deviation in Miami will result in no increased cost to the Department. No additional expenses (lodging, M&IE, etc.) will be incurred by the government during Secretary Zinke's personal time deviation.

Please provide approval for Secretary Zinke to make a personal time deviation from his temporary duty station in Miami, Florida, from October 8, 2017, through October 10, 2017. Please also provide approval for the government to pay for Secretary Zinke's travel from Miami, Florida, to Washington, D.C., on October 10, 2017, on American Airlines #1533.

Once aboard, you will experience a relaxing 30 minute narrated cruise to historic Fort Sumter. You will learn about the events which led to the outbreak of America's most bloody war. When you arrive you will be greeted by National Park Service Rangers, who will provide further details about Fort Sumter and its pivotal role in the American Civil War.

On the fort you will find a very informative museum (360 Video of Museum) with many historic artifacts and a souvenir shop. After your one hour visit, you will enjoy a scenic cruise back to your departure point.

My apologies for the very delayed response. It's been a hectic day, but I should have responded to your initial email more promptly.

As you correctly deduced, we wanted to determine the estimated cost for Ms. Zinke. Secretary Zinke will personally pay this cost.

I didn't realize there was a concession operated ferry that takes a similar route, but that's even better. The only difference is that the ferry returns to Liberty Square, whereas our boat trip ended at Fort Moultrie, correct?

Regardless, we will send a reimbursement check for \$21.00 to the address you provided. Thank you very much for your assistance.

Tim

Hi Tim,

So the cost per person for the NPS boat trip from Liberty Square, to Fort Sumter and ending at Fort Moultrie on Sullivan's Island is \$21.00. This will cover fuel and operations of the boat between the three locations.

Total owed: \$21.00 for Mrs. Zinke

\$21.00 is also the cost per person for the public to go just to Fort Sumter and back aboard the concession operated ferry which operates on a set schedule

Check may be made out to Fort Sumter National Monument and send it to 1214 Middle Street, Sullivan's Island, SC 29482

Please let me know if you have any questions for the park.

Hi Tim,

Just to verify--it sounds like we need to determine the estimated cost for Ms. Zinke. Is that correct? Our Administrative Officer is working on how we need to "bill" this. So one question from her- is another government entity paying the cost or is it a private individual?

The boat was an NPS boat. We do not offer public tours to the fort via this boat. We will be able to come up with an estimate for Ms. Zinke's passage on the boat. Once I have the answer to the above question, I will be able to answer the questions regarding the check.

Thank you,

Dawn

Good evening, Gary and Dawn. I work with Rusty Roddy in Secretary Zinke's scheduling office, and Rusty advised that you would be the best people to contact regarding this matter. Our lawyers have determined that the Secretary should reimburse NPS for the boat transportation that was provided for his wife during the tour of Fort Sumter and Fort Moultrie on October 3. In order to properly process the reimbursement, could you please provide the following information, or refer me to the appropriate person who can provide this information:

- Does the boat that was used belong to NPS, or to a concessionaire?
- If owned by NPS, do you provide similar boat tours to the general public?
- If so, what is the amount that is charged per person for the tours?
- If not, do you have a way to determine an estimated cost per person for the boat tour on October 3?
- Who should we make the reimbursement check payable to?
- To what address should we submit the reimbursement check?

I'm sorry to bother you with this, but thank you in advance for your assistance.

Secretary Ryan Zinke
Department of the Interior
1849 C Street, NW
Washington, DC 20240

Dear Secretary Zinke:

On behalf of the Congressional Sportsmen's Foundation (CSF) and Richard Childress Racing, we would be honored to have you as our special guest speaker during our 14th Annual Wine, Wheels & Wildlife fundraiser taking place on October 11, 2017 in Lexington, North Carolina. This event is one of CSF's largest fundraisers of the year and brings together more than 300 guests representing notable sportsmen and women in our community, including NASCAR representatives, elected officials and outdoor industry leaders.

Developed more than a decade ago in 2005 "Wine, Wheels & Wildlife" was established to provide the opportunity for sportsmen and women, along with the larger outdoor community and other CSF supporters, to come together with the interest of protecting and advancing the sportsmen's traditions, and to enjoy the landscape and signature wine at Childress Vineyards.

The evening will begin with a cocktail reception starting at 4:30 p.m. where you will have an opportunity to tour the winery and participate in some of the outdoor activities including skeet shooting among the grapes, fly-fishing on the pond, handling exotic baby animals, and more, to be followed by dinner and a live auction. During the dinner portion of the evening, we would appreciate it if you might address the audience for 5 - 10 minutes about your role as Secretary of the Department of the Interior as our sporting heritage is critical to the 1.6 million hunters and anglers who call North Carolina home, spending \$2.3 billion annually and who support 35,088 jobs.

Included with this letter is the invitation for our 14th Annual Wine, Wheels & Wildlife event. If you have any questions, please contact PJ Carleton at pj@sportsmenslink.org or call (202) 543-6850 x22. Thank you for your continued leadership and we look forward to having you at the winery.

Very Respectfully,

Jeffrey S. Crane
President
Congressional Sportsmen's Foundation

Richard Childress
Chairman & CEO
Richard Childress Racing

Notable Accomplishments

As a combined force with the North Carolina Legislative Sportsmen's Caucus and Advisory Council, the Congressional Sportsmen's Foundation is pleased to highlight some of our most notable accomplishments for the state of North Carolina:

- Following the historic passage of the Outdoor Heritage Act in 2015 that, among other things, allowed for hunting on Sunday for the first time in 145 years, the Outdoor Heritage Enhanced legislation of 2017 further increased access and opportunity for North Carolina's sportsmen, women, and youth by:
 - Opening NC's 2+ million acres of public lands to Sunday hunting with firearms, subject to rules established by the NCWRC;
 - Removing the prohibition against hunting within 500 yards of a residence;
 - Removing the prohibition against hunting in counties with populations larger than 700,000 (Wake and Mecklenburg);
 - Eliminating statutory ban on migratory bird hunting and requiring the NCWRC to complete a study on the biological, social, and economic impacts of potentially allowing migratory bird hunting on Sunday; and
 - Requiring counties that want to "opt-out" of Sunday hunting to approve an ordinance by a majority of voters in a county-wide referendum, which may only take place in even-numbered years.

CSF would like to extend our sincere thanks and gratitude to the following members of the North Carolina Legislative Sportsmen's Caucus for championing this effort: Caucus Chairs Representative John Bell, Representative Michael Wray, and Senator John Alexander as well as President Pro Temp Phil Berger, Speaker Tim Moore, Senator Danny Britt, Senator Tom McInnis, Senator Bill Rabon, Representative Chris Mills, and Representative Brian Turner.

- Passed resolution opposing the privatization of federal fishery resources through catch share management to protect North Carolina's saltwater fishing economy;
- Formed the House Select Committee on Wildlife Resources in 2016 to further encourage productive dialogue on important sportsmen's issues.

Economic Impact of Hunting and Angling in North Carolina

According to the most recent U.S. Fish and Wildlife Survey, 3.63 million hunters and anglers (resident and nonresident) annually hunted or fished in North Carolina spending over \$2.3 billion and supporting over 35,000 jobs. In 2016, sportsmen and women contributed \$56.4 million to fish and wildlife conservation efforts in North Carolina.

Since 1989, CSF has maintained a singleness of purpose that has guided the organization to become the most respected and trusted sportsman's organization in the political arena. CSF's mission is to work with Congress, governors, and state legislatures to protect and advance hunting, angling, recreational shooting and trapping. The unique and collective force of the Congressional Sportsmen's Caucus (CSC), the Governors Sportsmen's Caucus (GSC) and the National Assembly of Sportsmen's Caucuses (NASC), working closely with CSF, and with the support of major hunting, angling, recreational shooting and trapping organizations, serves as an unprecedented network of pro-sportsmen elected officials that advance the interests of America's hunters and anglers.

Hey Lisa, one last question, our ethics folks need to know the price per person for the dinner on Friday.

Thanks Lisa, only thing I saw is you had Scott Hommel attending on Friday, it will only be Downey Magallanes, our deputy chief of staff. Also the only other question I have is whether there will be dinner for the Secretary's 3 detail that will be with him while he's there. If not it's fine, I just wanted to clear it up for them so they can plan ahead.

On October 11, 2017, Secretary Zinke is scheduled to participate in a number of official meetings and events in Washington, D.C. His final official engagement is a meeting with KPMG auditors regarding the Statement on Auditing Standards, which is scheduled to conclude at 11:30am. Secretary Zinke will then travel to Lexington, North Carolina, via a flight to Raleigh, North Carolina, to speak at the Congressional Sportsmen's Foundation (CSF) Wine, Wheels & Wildlife event, which is scheduled to begin at 4:30pm.

Secretary Zinke's meeting with the KPMG auditors in Washington is an important meeting that is required to be held every year in a specified time frame. The CSF event in Lexington is also an important engagement that involves many stakeholders who are closely connected to the Department's mission. Both the KPMG meeting and the CSF event required a considerable amount of planning and will involve many external participants, with approximately 400 attendees expected at the CSF event. Neither engagement can be cancelled or easily rescheduled, and as the Department's leader, it is imperative that Secretary Zinke fully participate at both engagements. Therefore, Secretary Zinke has a very specific time frame in which he must travel from Washington to Lexington so that he can fully participate at both the KPMG meeting and the CSF event.

III. CONTRACT CARRIER FLIGHT OPTION

The following is the best available contract carrier flight option for Secretary Zinke's travel, and an explanation for why it does not meet mission requirements:

Wednesday, October 11, 2017 – Washington, DC (DCA) to Raleigh, NC

❖ **American Airlines #5443**

1:30pm EDT Depart Washington, DC (DCA)

2:51pm EDT Arrive Raleigh, NC

Explanation: This is the earliest contract carrier flight to Raleigh that Secretary Zinke can catch following the conclusion of his KPMG meeting at 11:30am. This flight arrives in Raleigh at

2:51pm. It takes approximately 1 hour and 45 minutes to drive from Raleigh-Durham International Airport to Childress Vineyards in Lexington, where the CSF event is being held. Therefore, if Secretary Zinke takes this flight, he would not be able to arrive at the CSF event until approximately 5:00pm, which is after the 4:30pm start time. This flight would not enable Secretary Zinke to fully participate at the CSF event, as scheduled.

IV. RECOMMENDATION FOR USE OF A NON-CONTRACT CARRIER FLIGHT

Due to the lack of feasible contract carrier options, we recommend that Secretary Zinke utilize the following non-contract carrier flight:

Wednesday, October 11, 2017 – Washington, DC (DCA) to Raleigh, NC

❖ **Delta Air Lines #6266**

12:35pm EDT Depart Washington, DC (DCA)

1:44pm EDT Arrive Raleigh, NC

Explanation: This flight's departure at 12:35pm will enable Secretary Zinke to maintain and fully participate at his KPMG meeting on October 11. However, unlike the contract carrier flight, this flight's 1:44pm arrival time in Raleigh will enable Secretary Zinke to also be on time for the start of the CSF event at 4:30pm.

The total fare for this non-contract carrier flight is \$172.20. The government fare for the American Airlines contract carrier flight is \$172.20. The non-contract fare and the contract fare are both the exact same price (documentation attached).

To enable Secretary Zinke to hold his meeting with KPMG auditors in Washington as scheduled, and to enable him to also fully participate at the CSF event in Lexington, we recommend that Secretary Zinke utilize the above non-contract carrier flight.

We seek authorization for Secretary Zinke to forego use of a contract city-pair fare under FTR 301-10.107(a):

§ 301-10.107 Are there any exceptions to the use of a contract city-pair fare?

Yes, your agency may authorize use of a fare other than a contract city-pair fare when—

- (a) Space on a scheduled contract flight is not available in time to accomplish the purpose of your travel, or use of contract service would require you to incur unnecessary overnight lodging costs which would increase the total cost of the trip

Please provide approval of Secretary Zinke's use of a non-contract fare during his travel from Washington, D.C., to Raleigh, South Carolina, on October 11, 2017, on Delta Air Lines #6266.

Good Morning Aaron - I hope your stay last night was comfortable! I'm attaching the flyer for the Fall Feast, which is our Thanksgiving dinner for the community. Chief Executive Benjamin would be honored if Secretary Zinke and Scott Hommel would join her at her table. She always provides a

welcome address to the Band membership and is hoping to be able to introduce him to our community, if he's comfortable with that. They will be very excited that he's here!

We would also like to invite and encourage the rest of your group to sit at one of our leadership tables; I will be available to guide you to where those are at. We have tables set aside for our Commissioners, who are appointed officials and serve as the Chief's Cabinet, and we will have several extra seats at those tables.

Additionally, several of our tribal police will be in attendance as well, and if your security folks are interested we would suggest inviting them to sit with our police officers. Our police would be very excited about that.

I'm making a list of a few other questions we have for you, which I'll send shortly.

Hey Emily, is there a formal invitation to the Fall Feast or a flyer inviting people that we can send to our ethics office? Thanks

That is wonderful! I'll wait for your confirmation. It's a great meal and lot of fun. Just a few more matters —

One name I neglected to include on the list I provided previously as an attendee. Chief Executive Benjamin has also invited Joe Nayquonabe Sr., an elder and spiritual leader who lives in this district, to attend the meeting.

Would the Secretary be willing to do a brief meet-and-greet in our government center foyer (top of stairs when you walk in) with Band government employees? A quick hello to our workers would be much appreciated, as a few are very excited to meet him who won't be involved in the meeting.

A drum group will be singing upon his arrival in honor of your visit, so just a heads-up to expect that. That was important for Chief Executive Benjamin.

That is all I can think of right now, but I'll get back in touch if other matters come up.

Thanks

It will take place at the Convention Center in the Ballroom, which is at the southern-most part of the Grand Casino building. The entrance is actually at that southern-most end of the casino as well. The front desk folks wouldn't know about it, as the event is not being hosted by the casino – we're just using the ballroom.

Thank you!

No worries that shouldn't be a problem. I sent it to our folks in DC, to check with the Secretary, I'm not sure if they were looking into filling in a dinner meeting while we are here or not but I will let you know as soon as I can.

Also this is at the Grand Casino right? We stopped by to check out the room it would be in and the person at the casino customer service was unaware of any event. So we just wanted to double check.

Thanks

Thanks,

The breakfast function at the Center for Coastal & Deltaic Studies paid for by the Water Institute of the Gulf was \$11.42.
The lunch at the Jean Lafitte National Historic Park paid for by the Greater Lafouche Port Commission was \$18.18.

We have the estimated airboat cost and other meals were paid for by each attendee so I think that's everything!
